Dear Friends,

Welcome to Phoenix for the 37th Annual Arizona Hockey Classic!

We would like to thank everyone at our host arenas; Jennifer Mangino and Matt Mendelsohn from the Ice Den rinks, and Bob Platt from AZ Ice in Gilbert. Without the cooperation of these people, this tournament would not be possible.

Thank you to all of our game officials and scorekeepers. We would like to recognize our Referee-in-Chief, Michel Voyer and Scorekeeper Supervisor, Tina Karras, for arranging our on-ice and off-ice officiating crews for the tournament.

Thank you to our Assistant Tournament Directors; Ted Cabral, Rick Florian, and Morgan Gaines, for their countless hours of behind the scenes coordination both leading up to and throughout the entire tournament.

We would like to give a special thanks to our tournament staff for working with us to make the tournament run smoothly: Krystal Davis, Joel Seelig, Tyler Gaines, Alan Matus, Taryn Salum, Angie Salum, Jonna Arell, Jake Lastra, Sal Rivela, Anna Grimm, Joe Rivela, Annette Flick, Neysa Becaria and Robert Arell.

Last but not least, we would like to thank all the team captains for their hard work getting their teams organized, registered, and ready to play in the tournament.

Good luck in the tournament, and have a great time this weekend! We look forward to seeing you again next year.

Have fun,

**Gilbert:** Arizona Ice - Gilbert. 2305 E. Knox Road, Gilbert, AZ 85296. 480-503-7080.  
2 Rinks: North and South.

The Ice Den Scottsdale and Ice Den Chandler look forward to welcoming you to our rinks.

Our staff works hard to ensure the facilities, ice surfaces and amenities operate effectively and efficiently. In return, we ask that all ice sports community members treat the Ice Den employees, facilities, amenities and fellow members with respect and care. By following posted rules, adhering to building policies and staff instruction, together we can work to ensure a fun, safe and professional experience for all.

Below is a list of Ice Den policies we understand may differ from your home rink but must be adhered to while on-site.

### **NO OUTSIDE FOOD & BEVERAGE**

Building policy prohibits outside food and beverage. Our onsite restaurants, 18° Bar & Grill and 18° Express can accommodate nearly any request. In addition, the Chilly Bean Café offers a wide selection of beverages to include Coca-Cola products and Cartel Coffee, as well as a selection of grab-and-go snacks for your enjoyment. If you wish to prearrange catering, please let us know in advance.

### **ALCOHOL POLICY**

- Coolers, regardless of their contents will not be permitted in the building.
- Tailgating is not permitted in on Ice Den private property or surrounding parking lots.

The Ice Den has a very strict, zero-tolerance policy in place concerning bringing or consuming any alcohol in and around the Ice Den facilities. The Ice Den has and will continue to remain compliant with the State of Arizona in the enforcement of all liquor license laws.

The only area the service and consumption of alcohol is allowed at either the Ice Den Scottsdale or the Ice Den Chandler is within the licensed boundaries of our two restaurants, 18° Bar & Grill Scottsdale and 18° Express Chandler. The bringing, service or consumption of alcohol in any other area of either facility (including the lobby, locker rooms and stands ) or anywhere around the exterior of the facility (parking lot) is against Arizona State law and is strictly prohibited.

All spectators and participants, whether in Scottsdale or Chandler, must abide by all liquor license laws and regulations at all times while on the premises of the Ice Den Scottsdale or the Ice Den Chandler. If it comes to the attention of the Ice Den that any alcohol is brought or consumed on the property by an on-ice participant, their family member or their guests (spectators), the persons involved will be held responsible for their actions. Such persons will also be asked to leave the premises immediately (without refund) and in the case of an Ice Den registered program participant, will face further suspensions up to and including permanent loss of ice and spectating privileges in our facilities.

We take the compliance with all liquor license laws and regulations very seriously. As such, the Ice Den reserves the right to revoke participation, registration and spectating privileges for any future Ice Den programs or events conducted at the Ice Den Scottsdale or Ice Den Chandler as the result of unacceptable player and spectator conduct.

Any violation of the rinks' alcohol policy jeopardizes not only our liquor license but also our ability to continue to offer ice sports programming and special events in our buildings.

## NO PETS

### **ICE DEN**

**UPON ENTERING, PLEASE NOTE THE FOLLOWING BUILDING POLICIES:**

- **NO SMOKING** (E-CIGARETTES /VAPE PENS OR TOBACCO: DIP/CHEW)
- **NO LOITERING · NO SOLICITING**
- **NO PETS** (SERVICE ANIMALS WELCOME)
- **NO OUTSIDE FOOD & BEVERAGE**
- **NO ROLLERBLADES, SKATEBOARDS OR BICYCLES**
- **NO FLOOR, STICK OR BALL HOCKEY**
- **NO WEAPONS**
- **NO ALCOHOL** (EXCEPT IN RESTAURANT)
- **NO TAILGATING ON ICE DEN PROPERTY**  
(VIOLATORS WILL BE TICKETED AND REMOVED FROM PREMISES)

**\*\*\*\*NOTICE\*\*\*\***

**SECURITY CAMERAS IN USE**

STEALING OR DAMAGING PROPERTY WILL RESULT  
IN PERMANENT LOSS OF PROGRAM PRIVILEGES

**THANK YOU FOR YOUR COOPERATION**

We love pets too, but they are not permitted in the Ice Dens. The rinks and amenities comply with state and local health regulations in addition to all federal ADA regulations. Trained service animals are welcome. A “service animal” means any animal trained to do work or perform tasks for the benefit of an individual with a disability. Pets providing emotional support, wellbeing, comfort or companionship are not recognized as service animals under ADA regulations. Misrepresenting a dog as a service animal is a criminal violation and will result in being trespassed from the buildings.

## DAMAGE TO PROPERTY

In recent seasons there has been an unfortunate increase in incidents of unnecessary and intentional damage to the facilities. Damage caused by unacceptable behavior, including but not limited to; shooting pucks off-ice/outside and throwing rocks at building exterior, climbing on pads, breaking equipment, vandalizing locker rooms or any areas within the facility, its amenities, and surrounding properties, will be investigated and invoiced to the responsible individuals. Any players/teams/spectators that cause intentional damage to the facility will be suspended from competing at either Ice Den indefinitely.

## ICE ACCESS

Only registered players, certified coaches, on-ice officials, trained medical personnel and Ice Den staff are permitted on the ice/benches during the designated ice slot. Spectators are not permitted on the ice at any time. Teams are not permitted to access the ice until the resurface is complete, the Zamboni has exited the ice and the Zamboni doors are closed. Exterior/perimeter player bench access doors must be closed at all times during the game.

## SPECTATORS

Please note, the average temperature inside the rink is 56 degrees. The Ice Den encourages participants and spectators to dress accordingly for warmth and safety. Individuals who are currently sick, recently sick, symptomatic, or high-risk/vulnerable to illness should not come to the rink. Siblings of on-ice participants and young children should not be left unsupervised at any time.

## MUSIC POLICY

All music played in the Ice Dens to include but not limited to: ice skating performance songs, during hockey games/practices during intros/stoppages of play, private ice rentals, in locker rooms and public areas must be the edited/clean versions of the song. In addition, music volume should be at a level that is always respectful to fellow community members and Ice Den employees.

The Ice Den currently partners with BMI, ASCAP, SESAC and Global Music Rights as it relates to music licenses. U.S. copyright law requires you to obtain permission from music copyright owners to play their music publicly. All community members are responsible for ensuring they have permission to play selected music in the facilities. If at any time you hear non-compliant music in the facility, please notify a member of the Administration or Operations Teams.

## LIVE BARN

Family & friends can cheer from anywhere in the U.S. using Live Barn! The cutting-edge technology uses a proprietary multi camera tracking system which automatically follows the flow of the game - like a traditional television broadcast. Ice Den community members can save 10% on the small monthly subscription fee by using our community promo code: ICED-ENAZ

Thank you in advance for your cooperation and understanding,  
Ice Den Management

# TOURNAMENT RULES

- TIME:** We will be on a very tight schedule. Please make sure that everyone is ready to get on the ice at least 5 minutes before your scheduled starting time.
- GAME TIME:** Tournament games will be played with 13 minute, stopped-time, periods. If the game is tied after three periods, there will be a 5 minute, sudden death, overtime, provided that time is available. If no one scores in 5 minutes, the game will end in a tie.
- Playoff and championship games will have at least one full, 13 minute, period of overtime to decide tie games. If the game remains tied after the overtime period, the game will be decided by a 5 player shoot-out.
- The Tournament Director or a tournament official can decide that a game be played with running-time if the game has surpassed its allotted ice time or if it is a lopsided score. Any game slowed by fights or rough play will be switched to running time.
- There will be a 4 minute warm-up before each game and 1 minute between periods.
- RULES:** The tournament will be played under USA Hockey adult-hockey rules, with the following exceptions:
1. No checking will be allowed. Infraction of this rule will result in a two minute penalty for roughing.
  2. Each team is permitted one 30 second time-out per game.
  3. Slapshots will be allowed at all levels.
- UNIFORMS:** Each player must wear a uniform of the same color as the rest of the team, with a unique number permanently attached on the back. Uniforms with different color trim are o.k. Uniforms without numbers, with taped-on numbers, and duplicate numbers will not be allowed. Matching socks are appreciated, but not required.
- HELMETS:** Approved hockey helmets are mandatory and must be worn at all times while on the ice. Facemasks are not required, but are highly recommended.
- INELIGIBLE PLAYERS:** Any team caught using a player not on their roster, will forfeit any games in which the ineligible player played.
- Players will have to show identification before their first game. There may also be other spot checks throughout the tournament. All players must have their identification with them at all times.
- Because of past abuses, this rule will be strictly enforced. Please do not put me in the position of having to ruin your team's weekend by forfeiting their games.
- SUSPENSIONS:** The Tournament Directors will review all cases involving major penalties, match penalties, and game misconducts. They have the power to suspend any guilty players in addition to the suspensions already mandated by the USA Hockey rules. Per USA Hockey rules, any player receiving a game misconduct penalty shall be suspended for a minimum of one game.
- FIGHTING:** Fighting will not be tolerated in the tournament. Any player assessed a fighting penalty may be suspended from the remainder of the tournament and may not be allowed back to future tournaments.
- DISPUTES:** The Tournament Directors will have final word on all disputes during the tournament. Their decision is final.

# TIE-BREAKING PROCEDURES

## **POINTS WILL BE AWARDED AS FOLLOWS:**

2 points for a win.

1 point for a tie.

0 points for a loss. (regulation or overtime)

If teams are tied in points, the tie will be broken in the following manner:

## **DIVISIONS WITH 3 TEAMS (Copper, Cactus, Women-1, and Women-2 Divisions):**

1. Head-to-head play between tied teams.
2. Record in games against division opponents.
3. Goal differential in games against division opponents.
4. Goal differential in all games.
5. Goals scored in games against division opponents.
6. Goals scored in all games.
7. Fewest penalty minutes.
8. Coin flip.

## **DIVISIONS WITH 4 or 5 TEAMS:**

If two teams tie, the tie will be broken in the following manner:

1. Head-to-head play between the teams.
2. Total goal differential.
3. Total goals scored.
4. Fewest penalty minutes.
5. Coin flip.

If three teams tie, the tie will be broken in the following manner:

1. Record in games against other teams tied with.
2. Goal differential in games against tied teams.
3. Goal differential in all games.
4. Goals scored in games against tied teams.
5. Goals scored in all games.
6. Fewest penalty minutes.
7. Coin flip.

If one of the tie-breakers separates one team (have advanced to the playoffs, or have been eliminated from contention), but still leaves two other teams tied, those two teams will have the tie broken under the two-team tie-breakers.

---

In determining goal differential, any game won by more than a 6 goal margin, will count only as a 6 goal win.

In determining goals scored, any game in which more than 8 goals are scored, will count only as 8 goals scored.

This will prevent teams from trying to run-up the score on an over-matched opponent.
